

New Program for Seniors: Thanks to the McGregor Foundation and the United Black Fund, homeowners age 62+ can get personalized help in assessing their repair needs and contracting home repairs. For a modest participation fee, seniors will get a 90-minute consultation with **Wesley Walker**, HRRC's new Senior Repair Specialist, to assess and prioritize repair needs and "aging in place" issues; help with reviewing contractor estimates; inspection of completed work; and one of our special workshops for seniors. While there are special benefits to residents of Cleveland Heights, South Euclid, and University Heights, seniors from any community can participate. For information, see our [website](#), call (216) 381-6100, ext. 22, or email wwalker@hrrc-ch.org.
