Addendum to Bid:

GENERAL CARPENTRY

The following items and responses are to be incorporated into the bid for __________________________ (customer) at ________________________________ (address)

If the bid is accepted, then this addendum will be incorporated as part of the contractual understandings.

These additions are NOT INTENDED to be, or to substitute for, a complete written description of the scope of the work or materials.

1. The contractor has checked with the city’s Building Department and determined that a permit ☐ is ☐ is not required for this work. If required, the contractor will obtain the proper permits from the city and will ensure that all work passes all inspections required by the Building Department. (If job requires a permit, complete information on back of this form.)

2. The contractor will ensure that all wood is fastened securely, using the proper size and type of fastener in each location. The fasteners used will be as unobtrusive as possible, without sacrificing their holding capability.

3. The contractor will ensure that all wood joints and connections are neatly and evenly cut and assembled, designed for tight fits without unreasonable gaps.

4. The contractor will ensure that all wood members are level, plumb, and evenly spaced.

5. The contractor will ensure that all work is solid and substantial, designed and built for safety and longevity, and completed in such a way that it meets or exceeds all city code specifications.

6. The contractor will ensure that all work is structurally sound and matches as closely as possible the existing style and workmanship of the home. All materials will match that already existing on the house, except as specified: ________________________________

7. The contractor will complete the entire project, with no portions of the project left to be restored or reinstalled by the homeowner or another professional (i.e., plaster walls, moldings, electrical fixtures, railings, etc.), except as specified: ________________________________

8. The contractor will be responsible for properly maintaining the work site, for storing materials in a safe and secure manner, for removal and disposal of any and all debris generated by the work performed within 24 hours, and, upon completion, for cleaning the site to a pre-work condition.

(continued)
The contractor warrants that all work will be done in a workmanlike manner, to conform to current standard building practices and to meet or exceed any city code requirements. Work will be guaranteed against defects of materials for _______ years and against defects in workmanship for __________________ years after date of completion.

The contractor, by his/her signature, agrees to all the terms and conditions of this Addendum, unless otherwise noted above.
